DOC148942 TDST Smoove Origin 2-4 RTS

<b>Designation</b>	<b>Smoove Origin 2-4 RTS</b>
<b>Reference</b>	<b>1800223/1800295</b>
<b>Range</b>	<b>Smoove Origin RTS</b>

## FUNCTIONS

- 1w control
- Command: Up, My, Down
- Adaptation with Standard (49075) DIN 50x50
- Composition: 1 Module, 1 frame & 1 Mounting plate

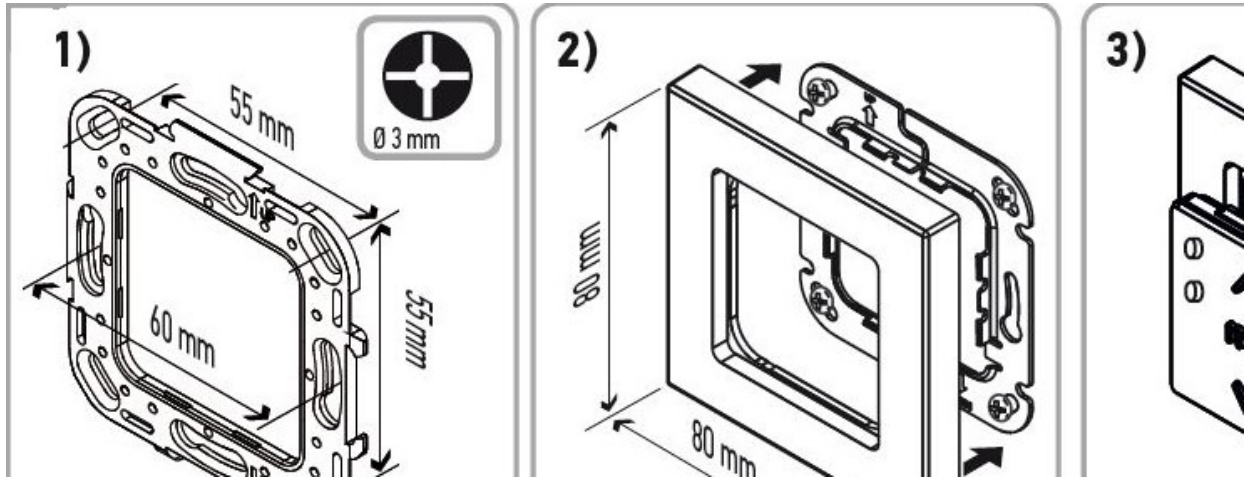

## TECHNICAL SPECIFICATIONS

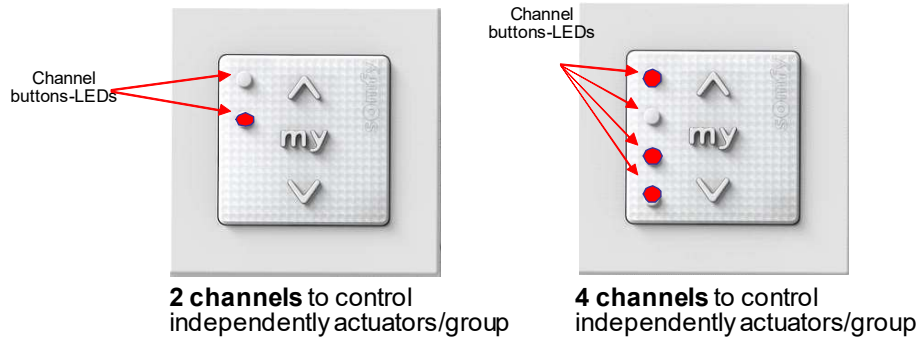

Box	Material Color	ABS & PC Pure
	Size	Module 50x50x10 mm Frame 80x80x10 mm
Battery	Voltage Type Number	3V CR 2430 x1
Battery lifetime (at ambient temperature in typical conditions)		5 years (max 4 orders per day)
Radio frequency Radio range		433.42 MHz +/- 1 KHz Use guaranteed in most «floor installation» depending of the environment.
dBm Modulation Type Protocol Antenna		-4 dBm ASK Type A1 RTS Integrated
Temperature range	Storing Working	-20°C / +60°C 0°C / +48°C
Weight module (including battery)		24g
Electromagnetic compatibility		EN 301489-1 EN 301489-3
Electrical safety Protection on the health Radio		IEC/EN 62368-1 EN 62479 EN 300220-1 EN 300220-2
