## ceiling baffle

Rafal is the loyal one. He'll hear you out, act as a sounding board but never tell your secrets. The ceiling baffle helps to manage reverberation and deliver optimal ambient sound levels. Provided with an aluminium channel and two suspension kits each as standard. Choose 2 sizes, 5 designs, and 18 colours in the ultra versatile and durable 12mm Styleboard range, a sustainable acoustic PET fibre board with 60% recycled plastic content. To add extra depth and texture, ask us about including etching, dual layers, design cutting, digital printing and fabric wrapping.
